Important Note Before Enrolling:

You will need a unique "promo code" from your instructor / program administrator in order to enroll in FE Prep University.

This code will bring the cost of your program down to the special $145 price (if students are paying), or down to $0 (if your school has paid for you). This code also places you on the correct class roster.

Enrollment Instructions:

- Click here: https://ppi2pass.com/universities/enroll

- Scroll down the page until you see "**Select your FE Exam Learning Hub Product**"

- Find your FE exam and click the "**Add to Cart**" button.

- Apply your unique promo code to your shopping cart.

- Your product should now be reduced to either $145 (if you are paying), or $0 (if your school has paid for you).

- Click "**Checkout**" and complete your transaction. You will receive a confirmation email with a link to access your online account. If you don't receive an email, please check your Spam folder. You can also go to the PPI website and click the red "Sign In" button in the upper right-hand corner.

- Once you enroll, you will have 6 months of access! This includes access to your web books, Qbank, diagnostic exams, practice exams, flashcards, and study schedule.
